

Interested in leadership in San Francisco

At San Francisco Unified School District, we believe that leadership and accountability are the keys to success. Our goal is to discover the next generation of transformative school leaders who can create a supportive learning environment where all students graduate with the skills and confidence to transform the world.

Ideal Candidate:

- Is passionate about SFUSD's commitment to making social justice a reality by ensuring every student has access to high-quality teaching and learning.
- Has experience creating learning environments that fosters highly engaged and joyful learners.
- Believes that it is possible to increase academic achievement of all students.
- Proven track record of leading and developing adults.
- Believes that authentic partnerships are essential to achieve student success.
- Understands and has experience working in urban public schools.
- For more information, see our full job descriptions online at: www.sfusd.edu
